SIXTY-FOURTH ANNUAL REPORT

OF THE

LOAN FUND BOARD OF IRELAND.

The Loan Fund Board of Ireland submit this, their Sixty-fourth Annual Report, for presentation to both Houses of Parliament.

The statements set out in Appendix 1 and in Appendix 2 have been compiled from Abstracts furnished to the Board since 1st January, 1902, in connection with 64 Societies.

The Capital, on 31st December, 1901, of the above 64 Societies was £104,498, and the circulation of this Capital in 1901 amounted to £216,337.

The Board have withdrawn the Certificate of Castlederg Loan Fund in consequence of serious violation of Rules, and its business is being wound up under their supervision.

At the instance of individual debenture holders Chancery Receivers had been appointed over the Loan Funds of Strabane, Pettigo, Bundoran and Ederney. It was represented to the Board that the slow progress of these Receivers in the work of Collection entrusted to them was seriously prejudicial to the rights of the general body of the debenture holders of the said Societies. In these circumstances the Board intervened in the Chancery proceedings, and obtained leave to dissolve the four Societies, in order that the collection of the outstanding loans by General Receivers under their supervision should be expedited.

Upon the closing of Thomastown Loan Fund a sum of £272 1s. 9d. became vested in the Board. Of this sum they have given £100 in aid of the funds of Kilkenny County Infirmary, and the balance can be applied, if needed, to Loan Fund purposes in that county.

The Board hold £375 surplus assets of the late Kiltegan Loan Fund, and they have under consideration an application for the re-establishment of a Loan Fund in that part of County Wicklow.

They are also in negotiation with representative gentlemen in Loughrea, with a view to the formation of a Loan Fund in that town with the aid of a sum of £601 2s. 10d. which the Board hold in trust for that purpose.

In 1855 an important Report (No. 259) was laid before Parliament, explaining the necessity for Loan Fund legislation of the character therein indicated; and in many of their Reports to Parliament since that time the Board have called attention to the fact that effect had not been given to the recommendations of the Select Committee of 1855.

In the opinion of the Board such legislation is needed to enable them to ensure more efficient local management of each Loan Fund, and to cope with irregularities not serious enough to be visited with the withdrawal from a Society of the Certificate issued to it under 6 & 7 Vict., c. 91. It would also tend to the security of money invested in the Societies, and to the development of a system which has been found well suited to the needs of industrious poor people in many parts of the country.

The Statute 63 & 64 Vic., c. 25, was not of this character. It was a special enactment which was rendered necessary by the fact that many Societies (mainly in Ulster) found themselves powerless to recover very large numbers of loans which they had issued without due regard to the Loan Fund Statute, and to the Rules framed and issued in accordance with it.

With this Report are submitted six Appendices.
